

**NARCOLEPSY NETWORK ANNUAL CONFERENCE**  
**OCTOBER 27 – 28, 2007 IN SAN DIEGO, CALIFORNIA**

Each year, the Narcolepsy Network creates a unique gathering to support, educate, build awareness and network among people affected by the sleep/wake disorder: Narcolepsy. People with narcolepsy, family members, and private & professional support people: this conference is yours! Graduate students and professionals in health, education, science, government, etc., you are invited!

The conference aims to meet individual needs, as well as to invigorate a MOVEMENT of narcolepsy awareness, advocacy and research in the 21<sup>st</sup> century. A selection of workshops, lectures, support forums, energizers, and creative activities will be offered at the conference to meet the needs and interests of all.

*navigating narcolepsy*

With your compass pointed westward, chart your course to the coastline of San Diego, California for NN's 22<sup>nd</sup> annual conference. Let's learn to NAVIGATE the tricky waters between being asleep and being awake! Together, we'll splash in the ebb and flow of our unique energies, rhythms and dreams. We'll scuba down to the depths of scientific research to gain a greater understanding of the patterns of our unique WAVES – our brain waves! As a COMMUNITY we'll embark upon uncharted waters to discover the golden treasure in our sea... SUPPORT! As we trim the sails and guide the rudder, we'll become the true captains of our own lifeboats!

# *Register for the 2007 NN Conference by September 25!*
