Join Us: Beat the winter blues and join us for our first informal gathering of 2010! Getting together and sharing our experiences and ideas is not only fun and informative, it is essential in coping with Narcolepsy; socializing with others who understand.

Also, bring your thinking caps! We need an energetic bunch to take advantage of the situation and help provide the support all of us need. Working together, we could begin to have more meetings throughout the year!

Family and friends are welcome. Feel free to bring a snack and beverage.

Guest Speaker: **DR. KENNETH SASSOWER**, Staff Neurologist of the Sleep Disorder Unit at Mass General Hospital
